

JONES OF WASHINGTON

JACK'S RESERVE CABERNET 2013

In the glass this Reserve Cabernet has a garnet core with ruby notes to the rim. The aromas will make your mouth water...black raspberry liqueur, chocolate covered cherry, black currant, pomegranate and Red Delicious apple skin with savory and earthy nuances. These sensations carry through to the elegant and approachable palate with polished tannins and balanced acidity. Flavors of cranberry juice cocktail and strawberry preserves are met with an herbal component of rosemary and sage with a baker's chocolate finish. This wine is ready to drink, just decant for 30 minutes and enjoy on its own or serve with your favorite cut of steak!
