

JONES OF WASHINGTON

MERLOT 2014

The 2014 Merlot displays a deep ruby core moving to a pale ruby at the rim. Within minutes of a quick decanting, it releases seductive aromas of black and red currants, Bing cherry, raspberry Kool-Aid, strawberry preserves, pomegranate juice, dried sage and thyme and Christmas spice. The velvety, medium bodied palate is smooth with integrated tannins and bright waves of red and black fruit consisting of plum skins, blackberry jam, black raspberry and fresh cranberry alongside baking spices.
