**Production:** 427 Cases – 100% Stainless Steel Fermentation

**Tasting Notes:** Our first ever late harvest Viognier jumps out of the glass! Pale gold in color, this wine's aromas fill ones glass with a bouquet of fresh baked peach cobbler and apricot preserves with notes of honeysuckle and citrus blossom. This round, lush textured wine starts with rich flavors of peach pie, apricot jam and orange marmalade that evolve into baked pear and bananas foster. It finishes with hints of lemon zest and fresh lime juice and just enough acidity for a balanced and long finish.
